SIMBIOSIS Collection

S-01

S-01

S-01 is born as the key element and basic model from the SIMBIOSIS Collection. All models are designed based on the proportions of this countertop basin.

Versatile and flexible design achieved with elementary geometric shapes: circles and squares. The combination of S-01 with any faucet can be placed as desired and works in every direction.

The squared countertop basin can be adapted to every bathroom distribution being the perfect solution for small and modular interiors.
