Jag

Jag

Relief-like, fine-grained structure and yet a little bit the impression of a carefully woven wicker basket.

Jag offers a particularly charming contrast of strictly geometric lines, which seem to dissolve again and again through light and shadow, and a flatteringly smooth inner surface, which almost seems to be covered with fine, matt silk fabric.

Jag reinvents itself again and again in a particularly noble and multi-faceted way, according to the type of lighting.

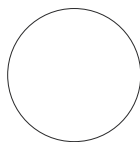

Material	quartz sand
Finish	matt
Standard sizes	300 x 300 x 130 mm (round) 350 x 350 x 130 mm (round) 430 x 430 x 130 mm (round) 400 x 300 x 130 mm (oval) 600 x 400 x 130 mm (oval)
